Describe the strategy and/or approach you used to complete the search task (2-5 sentences):

Self-Regulated Learning

The following statements investigate how the Subgoal Manager tool helped you accomplish the different aspects of the task.

We are specifically interested in whether the Subgoal Manager tool provided you assistance in these aspects of the task (as opposed to you having to complete them on your own).

Please read each of the following statements carefully and indicate your level of agreement.

During the search task, I was able to:

	Strongly Disagree						Strongly Agree
