

Pre-Search Questionnaire

Pre-Task Questionnaire

Scenario: One of your family members is a high school senior who is about to take an important biology exam. Your family member has told you that she is struggling to understand the concepts of diffusion and osmosis and has asked for your help.

Task: Gather information and learn everything you can about the concepts of diffusion and osmosis.

After searching and gathering for information, you will be asked to answer some questions about both diffusion and osmosis.

Please carefully review the task description and indicate your level of agreement with the following statements.
